

MELITTA FACTS & FIGURES

3 times

41 million Melitta® coffee filters are produced 3 times a day. That is approximately 10 billion per year. This is enough to cover about 3 times the area of the North Sea island of Sylt.

WORLDWIDE, APPROXIMATELY 300,000 CUPS OF COFFEE PER MINUTE ARE BREWED USING MELITTA PRODUCTS.
That's 5,000 cups of coffee per second worldwide.

In Bremen, approx. 1.5 million bags of coffee per year and over 90 different qualities of green coffee are processed.

1.5 Mio.
